Is the combination of Abhyangam and Shirodhara with steam bath. This combo is the ultimate choice for relaxation as the two therapies complement each other relaxing your body, soul and mind.

Head, Neck, Shoulder & Back Massage

(Sthanika Abhyangam)

(45 min) ₹90

A variation of the traditional Abhyanga with Herbal oil massage performed while the recipient is seated. It is particularly beneficial for those who cannot lie down due to medical conditions or prefer a focused therapy on the head, neck, shoulders and back.

Pain Relief Massage

(Kizhi)

(45 min) ₹90

Kizhi (warm herbal poultices) are used in the therapy to press and rub on the body in a variety of patterns with varying degrees of pressure. The therapy begins with a dosha-specific body massage, followed by the use of heated herbal Kizhi (poultices) to stimulate perspiration. It improves circulation, relieves muscle pain and stiffness. Ayurvedic practitioners have traditionally used it to treat rheumatism, arthritis & sports injuries

Energy Balance Massage

(Marma Abhyangam)

(45 min) ₹90

Ayurvedic oil massage technique that involves stimulation of vital energy points (Marma points). Marmas are the 107 key places on the body that carries Prana, or vital energy. While performing massage, gentle pressure on Marma brings Prana energy to the body and mind, resulting in clarity of senses and better health. This therapy strengthens tissues, removes physical and mental energy blockages, promotes lymph drainage, relaxes muscles, and enhances sleep quality

Back Pain Massage

(Kati Basti)

(30 min) ₹60

Kati Basti is a therapeutic Ayurvedic oil therapy designed to relieve lower back pain, stiffness, and spinal disorders. The term "Kati" refers to the lower back, and "Basti" means to hold or retain. This therapy involves retaining warm medicated oil over the lumbar region using a dough ring, allowing deep penetration to soothe muscles, nerves, and joints. Ideal for those with chronic lower back discomfort or postural fatigue.

Knee Pain Massage

(Janu Basti)

(30 min) ₹60

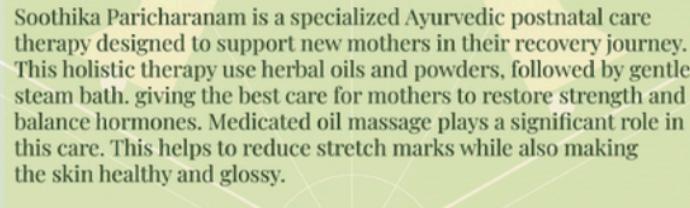

Janu Basti is a traditional Ayurvedic therapy focused on the knees. Warm, herbal medicated oil is pooled over the knee joint in a dough ring, deeply penetrating the tissues to relieve pain, stiffness, and inflammation. Ideal for joint discomfort, arthritis, or to simply rejuvenate tired knees.

Postnatal Care Massage

(Soothika Paricharanam)

(45 min) ₹90

Soothika Paricharanam is a specialized Ayurvedic postnatal care therapy designed to support new mothers in their recovery journey. This holistic therapy uses herbal oils and powders, followed by gentle steam bath, giving the best care for mothers to restore strength and balance hormones. Medicated oil massage plays a significant role in this care. This helps to reduce stretch marks while also making the skin healthy and glossy.
